 | pc & custom structures

hidden bolt connections
eliminate field welding & painting

all components shipped together for **streamlined installation**

quality backed by limited **10 year warranty**

pc structures that will accommodate almost any space & design aesthetic

pc structures (2022 CBC)

DSA approved. poligon quality.

poligon advantage

- **experienced and accountable**
 - engineer, steel supplier, and fabricator (reduce coordination with others)
 - local Poligon reps that are knowledgeable & ready to support you
- **multiple options**
 - multiple roof decks
 - multiple foundation types
 - capacity for fire sprinklers, lights, etc. (depending on location)
 - electrical access in columns
 - gutters and downspouts
- **flexible dimensions**
 - wide variety of pc structures
 - variable dimensions to fit your project
- **direct access to our licensed engineers**
 - answer technical questions
 - collaborate throughout the entire project
- **streamlined installation**
 - easy access to hidden bolt connections
 - few connections require pre-tensioning
 - no field welding or painting
- **superior aesthetics**
 - hidden bolted connection
 - no bird nesting
- **industry leading powder coat finish**
 - poli-5000 finish applied in our state-of-the-art facility
 - eliminates field painting

hip roof (RAM)

- maximum dimensions
- width: 20' & 30'
 - clear height: 10'
 - pitch 4/12
 -

pc# 02-121213

gable roof (REK)

- maximum dimensions
- width: 20' & 30'
 - clear height: 10'
 - pitch 4/12
 -

pc# 02-121214

monoslope (MSL)

- maximum dimensions
- width: 15', 25', & 35'
 - clear height: 10'
 - pitch 1/12
 -

pc# 02-121212

covered walkway (CWC)

- maximum dimensions
- width: 10' & 15'
 - clear height: 10'
 - pitch 1/12
 -

pc# 02-121211

custom structures

your vision. our capabilities.

Our licensed engineers are available to collaborate directly with you and your design team. There are so many aspects to your DSA project that require coordination – let Poligon handle everything related to your open air steel structure.
